BEEF

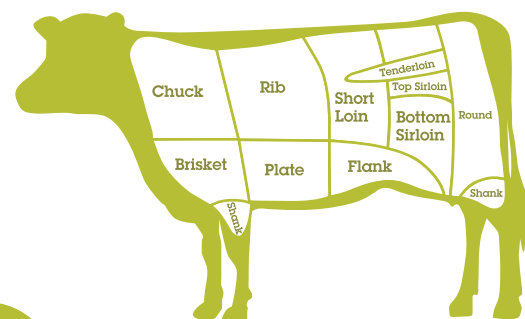

We raise Black Angus and Angus Crossed cattle known for producing high quality beef.

Our tender, all natural beef is offered to you by the quarter, half, or whole animal. Beef can be finished on grass or grain by your request. Grain finished beef are supplemented with corn for sixty days as they continue free range pasture grazing for the healthiest beef we can provide.

Our beef is aged for 14 to 21 days after processing to ensure the most tender and flavorful product.

BEEF PACKAGES

Whole Beef – approx 500 lbs
Half Beef – approx 250 lbs
Mixed Quarter – approx 125 lbs
Grill Pack

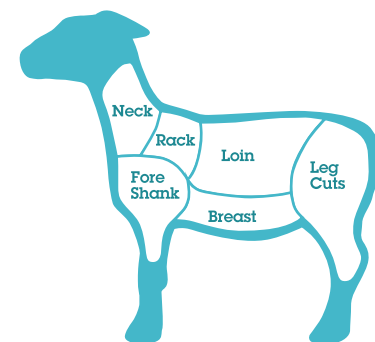

LAMB

Our grass finished lamb is healthful and all natural. As with all our meat products, we use no hormones, antibiotics, insecticides, or herbicides in our lamb products.

We raise free range Rambouillet lambs which are highly suited to ranging on the western plains. Rambouillets have a long history of breeding for both high quality meat and fiber.

LAMB PACKAGES

Lamb is sold by the whole animal only, which yields approximately 75 lbs of meat.

BISON

Our buffalo spend their lives on the range, much as they always have, and are not given questionable drugs, chemicals or hormones

Bison meat is a great tasting gourmet, or specialty, meat. Nutritionally, buffalo meat is high in protein and nutrients and low in fat for today's health conscious Americans.

Bison can be finished on grass or grain by your request. Our bison meat is aged for 14 to 21 days. Aging results in juicy steaks and flavorful cuts.

BISON PACKAGES

Whole Bison – approx 500 lbs
Half Bison – approx 250 lbs
Mixed Quarter – approx 125 lbs
Tanned bison hides are available for purchase.
